

CONCEPT

USER EXPERIENCE

TARGET

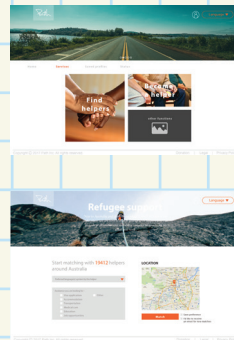

CONNECT

THOSE WHO NEED TO
THOSE WHO OFFER

The seriousness and complexity of problems caused by refugee pose a significant challenge to the countries of most refugee's destinations, including Australia. Leaving hometown and starting a new life in a different country speaking an unfamiliar language, laws as well as the gap of cultures can take quite a bit of time to adapt, and those can lead to various problems such as difficulties of applying visas,. As a result, continuous anxiety may lead to some other negative results

WE MAKE SURE
THAT IT IS SUPER
USER-FRIENDLY

PATH is designed to be extremely easy to use especially for people who are from countries that is as well developed as the others in terms of information technology. Select your identity, preference and match, that's it! And we also support different languages.

WHO USES PATH?
REFUGEES

ANYONE WHO WANTS TO HELP

Literally everyone is welcomed to use PATH, either you are here to offer help or to ask for help as a refugee.

We highly recommend that helper is able to offer at least one kind of the services to those who are in need, if you are able to speak their language or you are really close to where they settle, PATH will match you up based on these kinds of parameters helpers and refugees provided.
